

GLXPbufferClobberEvent

```
classDiagram
    class __GLXEvent
    class GLXPbufferClobberEvent
    __GLXEvent ..|> GLXPbufferClobberEvent : glxpbufferclobber
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled `__GLXEvent`. A dashed purple arrow points upwards from this box to a white box labeled `GLXPbufferClobberEvent`. The arrow is labeled `glxpbufferclobber` in the middle.
